

CLAMP-ON PALLET FORKS

Bucket not included

FEATURES

- Durable construction for years of use
- Easy on/off design for added convenience
- Mounts to most loader buckets without tools
- Easy adjustment to any pallet width
- Built-in stake pocket for a 2x4 to be installed as an upright backstop

Designed for use with palletized material only. Lift limit is determined by fork capacity or loader capacity, whichever is less. Capacity is based on no more than 1/2 load per fork and load no more than 1/2 way out on each fork.
